By signing this form I'm authorizing Bluegrass Horse Supply to custom make tack on my behalf based on my written instructions. It is the responsibility of the customer to express clear instructions and specifications for custom tack. I certify the tack to be created isn't copyrighted or trademarked. I also understand that Bluegrass Horse Supply will attempt to create the tack as close to my specifications as possible but the final product could have slight variations based on the manufacturing process.

ALL SALES ARE FINAL. Custom tack must be prepaid. After receipt of tack customers can return the item at their shipping expense for alterations. Alterations fees must be paid for before the product is shipped back to the customer.
